 Case No. 4:20-cv-04527-CW

**CLASS ACTION**

**STIPULATION FOR ORDER EXTENDING  
 CASE DEADLINES**

Hon. Claudia Wilken

Pursuant to Local Rules 6-2 and 7-12, the parties hereby submit this stipulation seeking an order extending the deadline for substantial completion of production of documents. The parties also request extension of the other case deadlines, which are tied to either the deadline for substantial completion of production of documents or resolution of Defendants' pending motion to dismiss. *See generally* House ECF No. 127; *Oliver* ECF No. 94.

Pursuant to the Joint Stipulated Case Management Order, the deadline for substantial completion of production of documents currently is June 1, 2021. The parties have been diligently meeting and conferring about document discovery matters and expect to conclude the meet and confer process soon. Because the parties recognize that additional time is needed to review and complete substantial production of documents, they request an extension of the deadline for substantial completion of production of documents to August 31, 2021. Subsequent case deadlines are tied to the deadline for substantial completion of production of documents and therefore should also be extended correspondingly by approximately three months as well. Finally, certain case deadlines were keyed to resolution of Defendants' motion to dismiss. Specifically, the deadline for Plaintiffs to add additional parties or claims, or to amend their complaint (including the filing of any consolidated complaint) was set for approximately 30 days after the presumed resolution of Defendants' motion to dismiss, and the deadline for Defendants to file an answer was approximately 60 days after such resolution.

THEREFORE, the parties stipulate and request that the Court issue an order extending future Joint Stipulated Case Management Order deadlines as follows:
